## Dr. Robert H. Mathog Lions Hearing Centers

From 1977, until his death in October 2014, Dr. Robert H. Mathog served as professor and chair of the Department of Otolaryngology – Head and Neck Surgery at Wayne State University, and he was also chief of Otolaryngology at Harper and Detroit Receiving hospitals from 1977 to 2007.

As a staunch supporter of our Michigan Lions Clubs' efforts to fight hearing loss and provide affordable hearing aids for people in our state, Dr. Mathog established our first Lions Hearing Center at Detroit Medical Center in the year 2000, and he served as president and chair of the hearing center from 2000 to 2014.
